About you.....

I graduated from Celal Bayar University, department of food engineering. I work as a Specialist Customer Representative at Intertek Test Services-CB. I plan food safety audits of customer suppliers and participate in some audits.

Why did you join the BRCGS Professional Programme?

I joined to specialize in food safety.

What value do you personally feel the BRCGS Professional certification brings to you?

I became more proficient in food safety management and joined the wider professional community.

How has the training helped improve operations at your site/company?

It has led to a better audit rating.

What did you most enjoy about the training?

I enjoyed the training techniques and delivery method.

What are you most looking forward to within the professional community?

I'm looking forward to the networking events, exposure to other like-minded Professionals.

How do you plan to keep your skills up to date?

I plan on keeping my skills up to date through the PPP system including activities such as enrolling on more training, attending conferences and events and E-Learning and webinars.

What are your career ambitions/aims?

I want to be a competent and qualified auditor.
