About you.....

I am currently the Quality Manager in an agro-export company and an external advisor for two other agro-export companies. Precisely for the implementation of BRCGS FOOD. Together with the team, we have managed to certify the company, and in turn, the other two that I am advising.

Why did you join the BRCGS Professional Programme?

I joined the program to improve my knowledge of food safety.

What value do you personally feel the BRCGS Professional certification brings to you?

It has enhanced my knowledge of Product Safety Management.

How has the training helped improve operations at your site/company?

It has improved our product safety and the management system.

What did you most enjoy about the training?

The part of the training I enjoyed the most was the coach and training techniques.

What are you most looking forward to within the professional community?

I'm looking forward to the networking events.

How do you plan to keep your skills up to date?

I plan on signing up for more training sessions.

What are your career ambitions/aims?

I want to lead my own team of technical professional and be recognized as an industry leader.
